SUMMARY:

Senior Economist in the Private Markets Group within the Development Economics Vice Presidency (DEC) at the World Bank Group. Her research focuses on firm-level dynamics and productivity, management practices, technology adoption, innovation, entrepreneurship, impact evaluations, competition, energy efficiency, startup ecosystems, and venture capital dynamics. Her work has been published in leading journals, including the *American Economic Journal: Macroeconomics*, *PNAS*, the *Journal of Development Economics*, *Research Policy*, the *World Bank Economic Review*, and the *Journal of Environmental Economics and Management*. She holds a Ph.D. and an M.A. in Economics from El Colegio de México and has more than sixteen years of experience across government, academia, and international organizations.

EDUCATION:

El Colegio de Mexico, A.C.
El Colegio de Mexico, A.C.
Universidad Panamericana

DEGREE

Ph.D.
M.A.
B.A.

DATE

2010 – 2013
2008 – 2010
1998 – 2002

FIELD

Economics
Economics
Economics

Ph.D. Dissertation: "Essays on Regional Economics: An Empirical Analysis for Mexico"

Supervisor: Isidro Soloaga. **Committee:** Gerardo Esquivel Hernández, Isidro Soloaga, Laura Juárez González, and Raymundo Campos Vázquez

RESEARCH INTERESTS:

Firm-level productivity, management practices, digital technologies, innovation, entrepreneurship, impact evaluations, competition, applied econometrics, energy efficiency, labor economics, and international trade.

PROFESSIONAL EXPERIENCE:

Sep 2022 – Present

Senior Economist

Private Markets, Development Economics Vice Presidency

International Finance Corporation (IFC), World Bank Group

- Co-authored three chapters of IFC's flagship report Digital Opportunities in African Businesses and multiple research papers on entrepreneurship, venture capital, firm dynamics, technology adoption, and access to finance in emerging markets.
- Led the design and implementation of large-scale surveys, including IFC's Global Private Capital Investors Survey and the the Startups in Africa survey.
- Served as Task Team Lead for two randomized controlled trial (RCT) pilots in the Czech Republic (part of the Strengthening Monitoring and Evaluation of Innovation Program in the EU) evaluating interventions to promote AI adoption, firm productivity, and entrepreneurial ecosystems.
- Organized IFC's Flagship Conference on Competition and Productivity (2023) and the Empirical Management Conference (2022).

- Led collaborations with national statistical offices, financial regulators, development banks, and international organizations—including INEGI, CNBV, BANCOMEXT, ABM, and the WTO—to support research on trade finance and private sector development.
- Collaborated with IFC operational teams to translate research into evidence-based private sector development interventions.
- Co-leading Chapter 1 of the World Bank Group report *Business Dynamics and Job Creation in Emerging and Developing Economies* (ongoing). Served as LAC focal point, coordinating harmonization and quality assurance of the World Business Dynamics database, and collaborating with the LAC Chief Economist Office on research using census and administrative tax data on business dynamism and high-growth firms.

Mar 2021 – Aug 2022

Economist

**Firms, entrepreneurship, and Innovation/Investment Climate Unit
Finance, Competitiveness & Innovation Global Practice
World Bank**

- Co-authored a paper on Stylized Facts of Firm Recovery and three papers on informality and the pandemic in SAR, using Business Pulse Survey (BPS) data.
- Co-authored the Mexico report on productivity: “Productivity Growth in Mexico: Understanding Main Dynamics and Key Drivers.”
- Led the global harmonization, quality assurance, and preparation of country reports for the Business Pulse Survey (BPS). Led the survey implementation across South Asia, including questionnaire adaptation, sample design, enumerator training, data collection monitoring, and quality assurance for Afghanistan, Bangladesh, India, Nepal, Pakistan, and Sri Lanka. Supported the design and quality assessment of the fourth BPS wave assessing the impact of the Russia–Ukraine war in Central Asia.
- TTL in the design of two impact evaluations in the Czech Republic (part of the Strengthening Monitoring and Evaluation of Innovation Programs in the EU).
- Contributed to the joint World Bank–Energy Charter report *Enabling Foreign Direct Investment in the Renewable Energy Sector: Reducing Regulatory Risks and Preventing Investor-State Conflicts*.
- Recipient of the 2022 LCR VPU Team Award for the Mexico Productivity Report and the 2022 SAR VPU Team Award for the Business Pulse Survey program.

Jan 2019 – Mar 2021

Associate Professor & Coordinator of the Master's Degree in Public Policy

Department of Economics

Universidad Iberoamericana Ciudad de Mexico

- Led the accreditation process of the Master’s program by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA), which resulted in a 7-year accreditation (the first accreditation that the program received).
- Increased the Master’s in Public Policy’s student recruitment and program completion rates.
- Developed the new curriculum in the area of Mathematics and Econometrics for the BA in Economics.

Nov 2014 – Mar 2021

Consultant

**Finance, Competitiveness & Innovation Global Practice
World Bank**

- Economic analysis and research.
- Co-authored six papers regarding firm performance, ICT and competition, wage inequality, and management practices.
- Participated in background papers for the World Development Report 2016: *Digital Dividends*, the flagship report “The Innovation Paradox: Developing Country Capabilities and the Unrealized Promise of Technological Catch-Up,”

and the Regional Study on "Digital technology adoption, skills, productivity and jobs in Latin America."

- Co-authored a Mexico Productivity Flagship Report.
- Co-authored a background paper analyzing Evidence from interventions of the Competition Authority in Mexico for a Competition, Productivity and Growth Report.
- Responsible adviser of INADEM for the design and analysis of a firm-level survey on the binding constraints of MSMEs in Mexico (ENAPROCE 2015) & recommendations to improve M&E.
- Coordinated the design and implementation of the demand analysis for a Suppliers Development Program under Mexico's SEZ RAS.
- Collaborated with the Social Protection and Jobs Global Practice in a Country Economic Memorandum (CEM) that analyzes labor at the subnational level.
- Supervised three Junior Consultants.
- FY18 VPU Team Award for the project "Innovating to Promote Female Entrepreneurs to Thrive in Mexico."

Jan 2014 – Dec 2014

Visiting Professor (FICSAC)

Department of Economics

Universidad Iberoamericana, Ciudad de Mexico

- Analysis for the Mexico section of a regional project on Poverty, Inequality, and Low Social Mobility: Territorial Traps in Chile, Mexico, and Peru, coordinated by RIMISP (Latin American Center for Rural Development) and funded by the International Development Research Centre (IDRC, Canada).
- Co-authored a paper on Internal Migration and Convergence in Mexico 2000-2010 under the Territorial Cohesion for Development program, coordinated by RIMISP (Latin American Center for Rural Development) and funded by the International Development Research Centre (IDRC, Canada).

Aug 2013 – Dec 2013

Postdoctoral Fellow

Department of Economics

Universidad Iberoamericana, Ciudad de Mexico

- Analysis for the Mexico section of a regional project on the Food Industry's role for poverty reduction under the Territorial Cohesion for Development program, coordinated by RIMISP (Latin American Center for Rural Development) and funded by the International Development Research Centre (IDRC, Canada).

Feb 2012 – Oct 2012

Senior Research Assistant for the book:

Leycegui, B. (2012). Reflexiones sobre la Política Comercial Internacional de México 2006-2012. ITAM-Secretaría de Economía. México: Porrúa

Dec 2006 – Apr 2008

Chief of Staff to the Undersecretary for International Trade Negotiations, Ministry of Economy, Mexico

Nov 2002 – Nov 2006

Adviser, Undersecretariat for International Trade Negotiations, Ministry of Economy, Mexico

Jul 2001 – Jul 2002

Scholar at the Finance Department, Procter & Gamble Mexico
